

Suruhanjaya Sekuriti
Securities Commission
Malaysia

JOIN MALAYSIA'S PREMIER CAPITAL MARKET REGULATOR

The Securities Commission Malaysia (SC) is a statutory body set up to regulate and develop the Malaysian capital market. Our vision is to develop a quality, vibrant capital market for both issuers and investors. We seek talented and highly motivated professionals to join us in enhancing gate-keeping, supervision and enforcement within a strong regulatory framework.

If you are an outstanding individual wanting a career that will allow you to develop and challenge your experience, skills and competence, the SC offers positions with genuine responsibilities, exceptional exposure and wide opportunities for career growth. Innovative, dedicated and dynamic Malaysians are invited to apply for the following positions:

▶ **Chairman's Office** – Senior Manager

Lead and assist in driving the direction of domestic and regional initiatives as well as the planning, execution and delivery of outputs

▶ **General Counsel** – Senior Manager & Assistant Manager/Manager

Lead-manage the formulation and review of capital market laws, policy and regulatory framework for the capital market

▶ **Human Resource** – Assistant Manager/Manager & Senior Executive

Support human capital management through the implementation of projects, policies and procedures

▶ **Information Technology** – Assistant Manager/Manager

Oversee the execution of IT systems including databases and processes, optimal capabilities and leading edge infrastructure

▶ **Investigation** – Senior Manager

Oversee the investigation process to ensure proper handling of suspected offences under the securities laws

▶ **Prosecution & Civil Enforcement** – Deputy General Manager, Assistant General Manager & Senior Manager

Prosecute and institute actions against persons who breach the securities laws

▶ **Trust & Investment Management** – Assistant Manager/Manager

Review and evaluate corporate proposals and carry out developmental projects in relation to unit trust and other collective investment schemes (CIS)

Requirements

A broad range of multi-disciplinary skills and experience in law, economics, finance, accounting, information technology, human resource and related disciplines would be suitable. Candidates should be analytical and conceptual, able to grasp and apply theory and enjoy robust discussion. Strong communication and analytical skills are key requirements. Individuals with relevant capital market experience or academic qualifications have an advantage.

Remuneration and Fringe Benefits

Attractive remuneration packages commensurate with experience and qualifications, together with attractive fringe benefits including interest rate subsidies for staff housing and vehicle loans, interest-free computer and study loans, medical and dental benefits for staff and family, high employer's contribution to the Employees Provident Fund and 24-hour group insurance coverage will be offered to successful candidates.
