SUPPORTING DOCUMENT

No.	Description			
1 A comprehensive and detailed proposal, which should generally include, but not limited to, the following:				
	 a. reasons for conducting the regulated activity, b. outline and summary of the regulated activity as a whole, including an overview and business targets at the end of three years. This includes products and services offered and a description of the delivery channels; c. how the regulated activity fits within its corporate structure, group global strategy and global operations; d. reasons why the company believes the business plan will be successful, stating key assumptions, and supported by feasibility and market studies. This may include: i. analysis of proposed regulated activity against the corresponding operating environment, including target markets, competitors, threats and opportunities, and plans to address them; ii. strength of financial resources to support the business, including sources of initial and future capital; iii. ability and plans to manage associated operational and business risks; iv. availability of human capital, expertise and knowledge, including names and credentials of key experts; v. supporting technology, systems and processes; vi. supporting research and development initiatives; and vii. track record and experience of the company specifically pertaining to identified areas in the business plan; e. pro-forma financial statements (base case), including balance sheet and income statement for the first three years of operations. Major asset, liability, income and expense categories should be identified, including a description of off-balance sheet activities. Identify and discuss key assumptions underlying the calculations; f. sensitivity analysis showing the results of changes in key assumptions on the base case business plan under a worst case scenario and discuss the changes in assumptions; g. contingency plans to address worst case or other adverse scenarios; h. source of initial and future capital provided for in the base case and other			
2	:atest management accounts (if the audited financial statements are more than three months old as at the anniversary date)			
3	Applicant's operational and compliance manual describing in detail— a. reporting principles and procedures; b. internal audit procedures; c. procedures for compliance with the securities laws; and d. risk management policies, which the applicant has adopted or proposes to adopt for its proposed business.			
4	Declaration on the physical layout of business to avoid conflict of interest of interest (click here for template)

DECLARATION

True and Correct Information

Updated as at © Securities Commission Malaysia Form R10 Confidential

☐ We are aware that any representation to the Securities Commission Malaysia ("SC") by whatever means or in any form that includes false or misleading statement can result in the SC taking action under section 369 of the Capital Markets and Services Act 2007, or other provisions under the securities laws. In addition, it can adversely affect our (i) application or submission; and (i) fit and proper standing to participate in the capital market industry.					
Section 369 is in relation to the submission of any false and misleading statement to the SC. Examples of information submitted to the SC include, but not limited to, notification and reporting to the SC, provision of supplementary information or clarification regarding a submission, and any other information the SC may request. Contravention of section 369 may result in imprisonment for a term not exceeding 10 years and shall also be liable to a fine not exceeding three million ringgit upon conviction.					
We hereby declare that all information provided in this submission, including its supporting materials, is true and correct, and the original signed version of this submission reflecting the same information provided is being kept at the named entity's business address or a designated place approved by the SC at all times.					
In addition to the declaration above, on the basis of a due and diligent enquiry made of the background of the applicant named in this form and other information available, we believe him/her to be of good character and reputation and to have the competence and experience to perform the functions of the specified role(s).
