4.12 TRADING AND SETTLEMENT IN SECONDARY MARKET

Our Shares will be admitted to the Official List of the ACE Market and an official quotation will commence after, inter-alia, the receipt of confirmation from Bursa Depository that all of our IPO Shares have been duly credited into the respective CDS Accounts of the successful applicants and the notices of allotment have been issued and despatched to all the successful applicants.

Pursuant to Section 14(1) of the SICDA, Bursa Securities has prescribed our Shares as securities to be deposited into the CDS. Following this, we will deposit our Shares directly with Bursa Depository and any dealings in our Shares will be carried out in accordance with the SICDA and Depository Rules. We will not issue any share certificates to successful applicants.

Upon our Listing, transactions in our Shares under the book-entry settlement system will be reflected by the seller's CDS Account being debited with the number of Shares sold and the buyer's CDS Account being credited with the number of Shares acquired.

Trading of shares of companies listed on Bursa Securities is normally done in "board lots" of 100 shares. Investors who desire to trade less than 100 shares will trade under the odd lot board. Settlement of trades done on a "ready" basis on Bursa Securities generally takes place on the second Market Day following the transaction date, and payment for the securities is generally settled on the second Market Day following the transaction date.
