LIST OF SHARIAH-COMPLIANT SECURITIES

BY THE SHARIAH ADVISORY COUNCIL OF THE SECURITIES COMMISSION MALAYSIA

Disclaimer

This document does not constitute a recommendation to buy or sell the listed Shariah-compliant securities by the Securities Commission Malaysia (SC) Shariah Advisory Council (SAC). It is intended solely for your general information. It does not claim to contain all advice or information on the subject matter, nor is it a substitute for legal or investment advice. If in doubt, you are strongly recommended to seek professional advice.

While care has been taken in the preparation of this booklet, the SC shall not be liable for any inaccuracy or incompleteness of the information contained in this book.

This list of Shariah-compliant securities by the SAC of the SC will be updated and made known to the public by the SC.

The Shariah Advisory Council (SAC) of the Securities Commission Malaysia (SC) has approved an updated list of Shariah-compliant securities, which takes effect from **27 November 2026** (effective date)[1].

A total of 54 securities have been classified as Shariah-compliant securities (**Table 1**), while 23 securities have been classified as Shariah non-compliant securities (**Table 2**). The breakdown of the Shariah-compliant securities by sector is provided in **Table 3**.

In classifying these securities, the SAC received input and support from the SC. The SC obtained information on the companies through, among others, annual reports, Shariah screening disclosures, enquiries made to the companies and other relevant information acceptable to the SAC. The SAC, through the SC, will continue to review the Shariah status of securities listed on Bursa Malaysia Securities Bhd (Bursa Malaysia) annually, based on the latest available audited annual financial statements of the companies. For this list, the SAC reviewed the audited annual financial statements released between 1 April 2026 and 30 September 2026, as made available on Bursa Malaysia's website.

The SAC adopts a two-tier quantitative approach, which applies the business activity benchmark and the financial ratio benchmark, in determining the Shariah status of listed securities. These securities will be classified as Shariah-compliant if their business activities and financial ratios are below these benchmarks.

[1] The updated list of Shariah-compliant securities is released on the last Friday of the months of May and November.

Business activity benchmark

In November 2025, the SAC introduced a single business activity benchmark for assessing the contribution of Shariah non-compliant activities to a listed company's total income. This revised benchmark replaces the previous dual-benchmark approach, which applied 5% and 20% thresholds depending on the nature of the business activities involved.

Under the revised approach, all existing Shariah non-compliant business activities will be assessed against the unified benchmark, now at 5%, reflecting a more consistent and streamlined screening parameter in line with the SAC's latest resolution. The revised benchmark will take effect for listed companies with financial year ending on or after 31 December 2025.

Accordingly, the contribution of Shariah non-compliant activities to the Group's total income[2] will be computed and assessed against the applicable business activity benchmark as follows:

- conventional banking and lending;
- conventional insurance;
- gambling;
- liquor and liquor-related activities;
- pork and pork-related activities;
- non-halal food and beverages (F&B), including F&B without halal certification[3];
- tobacco, cigarette, electronic cigarettes and their related activities and products;
- interest income from conventional accounts and instruments (including interest income awarded arising from a court judgement or arbitrator, late payment charges and penalty charges);
- dividends from Shariah non-compliant investments;
- Shariah non-compliant entertainment;

---

[2] Including revenue, other income, share of profit etc.

[3] For listed companies involved in manufacturing, processing and marketing of food products, they shall obtain *halal* certification from Jabatan Kemajuan Islam Malaysia (JAKIM) or any other *halal* certification bodies recognised by JAKIM.

- trading of Shariah non-compliant shares;
- conventional stockbroking business;
- cinema;
- rental received from Shariah non-compliant activities; and
- other activities deemed non-compliant according to Shariah principles as determined by the SAC.

The contribution of the above Shariah non-compliant businesses/activities to the Group's total income must be less than 5%.

Financial ratio benchmarks

For financial ratio benchmarks, the SAC takes into account the following:

(i) Cash over total assets

Cash only includes cash placed in conventional accounts and instruments, whereas cash placed in Islamic accounts and instruments is excluded from the calculation.

(ii) Debt over total assets

Debt only includes interest-bearing debt, whereas Islamic financing or sukuk is excluded from the calculation.

Each ratio, which is intended to measure *riba* and *riba*-based elements within a company's statement of financial position, must be less than 33%.

In addition to the above two-tier quantitative criteria, the SAC also takes into account the qualitative aspect, which involves public perception or the image of the company's activities from the perspective of Islamic teaching.

Shariah-compliant securities include ordinary shares and warrants (issued by the companies themselves). This means that warrants are classified as Shariah-compliant securities provided the underlying shares are also Shariah-compliant.

On the other hand, loan stocks and bonds are Shariah non-compliant securities unless they are structured based on the SAC's approved Shariah rulings, concepts and principles.

Special Purpose Acquisition Companies (SPACs)[4]

In classifying securities of SPACs, the SAC considers the following criteria:

(i) The proposed business activity should be Shariah-compliant;

(ii) The entire proceeds raised from the initial public offering should be placed in Islamic accounts; and

(iii) In the event that the proceeds are invested, the entire investment should be Shariah-compliant.

Timing for the disposal of Shariah non-compliant securities

As a general guide, the SAC advises investors on the timing for the disposal of securities which have been classified as Shariah non-compliant.

(i) 'Shariah-compliant securities' which are subsequently re-classified as 'Shariah non-compliant'

These refer to securities which were earlier classified as Shariah-compliant but due to factors such as changes in the companies' business operations and financial positions, have subsequently been reclassified as Shariah non-compliant.

In this regard, if on the effective date, the respective market price of Shariah non-compliant securities exceeds or is equal to the investment

[4] SPAC is a special company formed to acquire businesses through acquisition or merger with other entities. SPAC is a publicly-traded shell company that raises funds through an IPO. The proceeds are placed with a trustee pending a qualifying acquisition.

cost, investors who hold such securities must dispose of them. Any dividends received up to the effective date and capital gains arising from the disposal of Shariah non-compliant securities on the effective date can be kept by the investors. However, any dividends received after the effective date and any excess capital gains arising from the disposal of Shariah non-compliant securities after that date should be channelled to *baitulmal* and/or charitable bodies[5].

On the other hand, investors may hold their Shariah non-compliant securities if their market price is below the investment cost. Investors may keep dividends received during the holding period until such time when the total amount of dividends received and the market value of the Shariah non-compliant securities held equal the investment cost. At this stage, they are advised to dispose of their holding.

In addition, during the holding period, investors are allowed to subscribe to:

(a) any issue of new securities by a company whose Shariah non-compliant securities are held by the investors, for example rights issues, bonus issues, special issues and warrants (excluding securities whose nature is Shariah non-compliant e.g. loan stocks); and

(b) Shariah-compliant securities of other companies offered by the company whose Shariah non-compliant securities are held by the investors,

on condition that they expedite the disposal of the Shariah non-compliant securities.

[5] For Islamic funds such as Islamic unit trust funds, Islamic wholesale funds and others, the gain must be channelled to *baitulmal* and/or charitable bodies as advised by the Shariah adviser of the fund or the fund management companies.

(ii) Shariah non-compliant securities

The SAC advises investors who invest based on Shariah principles to dispose of any Shariah non-compliant securities they presently hold within a month of knowing the status of the securities. Any capital gain or dividend received before or after the disposal of the securities must be channelled to *baitulmal* and/or charitable bodies. The investor has a right to retain only the investment cost.[6]

Note: Investment cost may include brokerage or other related transaction cost.

[6] This guidance also applies to Islamic funds such as Islamic unit trust funds, Islamic wholesale funds and others. If the disposal of Shariah non-compliant securities causes losses to the fund, the fund management company must bear the losses by ensuring the loss portion be restored and returned to the fund.

SENARAI SEKURITI PATUH SYARIAH

OLEH MAJLIS PENASIHAT SYARIAH SURUHANJAYA SEKURITI MALAYSIA

Penolak Tuntutan

Buku kecil ini bukan merupakan satu syor untuk membeli atau menjual sekuriti yang diklasifikasikan sebagai sekuriti patuh Syariah oleh Majlis Penasihat Syariah (MPS) Suruhanjaya Sekuriti Malaysia (SC). Tujuannya hanyalah untuk memberikan penerangan am. Buku ini tidak mengandungi nasihat atau maklumat yang menyeluruh berkaitan dengan perkara yang dibincangkan. Ia tidak seharusnya digunakan sebagai pengganti kepada nasihat perundangan atau pelaburan. Sekiranya terdapat sebarang kemusykilan, anda disyorkan supaya mendapatkan nasihat profesional.

Walaupun segala usaha telah diambil dalam memastikan ketepatan kandungan buku kecil ini, pihak SC tidak akan dipertanggungjawab bagi mana-mana maklumat yang tidak tepat atau tidak lengkap.

Senarai sekuriti patuh Syariah oleh MPS SC akan dikemas kini dan diumumkan kepada orang ramai oleh SC.

Majlis Penasihat Syariah (MPS) Suruhanjaya Sekuriti Malaysia (SC) telah meluluskan senarai kemas kini sekuriti yang diklasifikasikan sebagai sekuriti patuh Syariah. Senarai kemas kini sekuriti patuh Syariah tersebut, berkuat kuasa mulai **27 November 2026** (tarikh kuat kuasa)[1].

Sebanyak 54 sekuriti diklasifikasikan sebagai sekuriti patuh Syariah (**Jadual 1**), manakala 23 sekuriti telah diklasifikasikan sebagai tidak patuh Syariah (**Jadual 2**). Pecahan senarai sekuriti patuh Syariah mengikut sektor adalah seperti di **Jadual 3**.

Dalam mengklasifikasikan sekuriti ini, MPS menerima input dan sokongan daripada SC yang mendapatkan maklumat mengenai syarikat tersebut melalui, antara lainnya, laporan tahunan, penzahiran berkaitan saringan Syariah, pertanyaan yang dibuat kepada pihak syarikat dan maklumat lain yang diterima MPS. MPS melalui SC, akan terus mengkaji status Syariah sekuriti-sekuriti yang tersenarai di Bursa Malaysia Securities Bhd (Bursa Malaysia) pada setiap tahun, berdasarkan penyata kewangan tahunan terkini syarikat yang diaudit. Untuk senarai ini, MPS telah mengkaji penyata kewangan tahunan yang telah diaudit yang dikeluarkan antara 1 April 2026 dan 30 September 2026, sebagaimana yang terdapat di laman web Bursa Malaysia.

MPS mengadaptasi pendekatan kuantitatif dua peringkat yang mengguna pakai tanda aras aktiviti perniagaan dan tanda aras nisbah kewangan, dalam menentukan dan mengklasifikasikan status Syariah sekuriti-sekuriti tersenarai. Oleh yang demikian, sekuriti-sekuriti akan diklasifikasikan sebagai patuh Syariah sekiranya nisbah aktiviti perniagaan dan nisbah kewangan mereka berada di bawah tanda aras tersebut.

[1] Senarai terkini sekuriti patuh Syariah, akan dikeluarkan pada hari Jumaat terakhir bulan Mei dan November.

Tanda aras aktiviti perniagaan

Pada November 2025, MPS telah memperkenalkan satu penanda aras tunggal bagi aktiviti perniagaan untuk menilai sumbangan aktiviti tidak patuh Syariah kepada jumlah pendapatan sesebuah syarikat tersenarai. Penanda aras yang disemak semula ini menggantikan pendekatan kuantitatif dua peringkat sebelum ini, yang mengguna pakai tanda aras aktiviti perniagaan 5% dan 20% bergantung kepada jenis aktiviti perniagaan yang terlibat.

Di bawah pendekatan yang disemak semula ini, semua aktiviti perniagaan tidak patuh Syariah sedia ada akan dinilai berdasarkan penanda aras tunggal 5% tersebut yang melambangkan parameter saringan yang lebih konsisten dan teratur selaras dengan resolusi terkini MPS. Penanda aras yang disemak semula ini akan berkuat kuasa bagi syarikat tersenarai dengan tahun kewangan berakhir pada atau selepas 31 Disember 2025.

Sehubungan dengan itu, sumbangan daripada aktiviti-aktiviti tidak patuh Syariah kepada jumlah pendapatan[2] Kumpulan sesebuah syarikat akan dikira dan dibandingkan dengan tanda aras aktiviti perniagaan 5% seperti berikut:

- perbankan dan peminjaman konvensional;
- insurans konvensional;
- perjudian;
- arak dan aktiviti-aktiviti berkaitan dengannya;
- babi dan aktiviti-aktiviti berkaitan dengannya;
- makanan dan minuman tidak halal termasuk makanan dan minuman tanpa pensijilan halal[3];
- tembakau, rokok, rokok elektronik dan aktiviti-aktiviti serta produk-produk berkaitan dengannya;
- pendapatan faedah daripada akaun dan instrumen konvensional (termasuk pendapatan faedah yang diterima berikutan daripada keputusan mahkamah atau penimbang tara, caj lewat bayar dan caj penalti);

---

[2] Termasuk perolehan, lain-lain pendapatan, bahagian keuntungan dan sebagainya.

[3] Bagi syarikat tersenarai yang terlibat dengan aktiviti pembuatan, pemprosesan serta pemasaran produk makanan, syarikat tersebut hendaklah mendapatkan sijil pengesahan halal daripada Jabatan Kemajuan Islam Malaysia (JAKIM) atau mana-mana badan pengesahan halal yang diiktiraf oleh JAKIM.

- dividen daripada pelaburan tidak patuh Syariah;
- hiburan tidak patuh Syariah;
- jual beli saham tidak patuh Syariah;
- pembrokeran saham konvensional;
- pawagam;
- sewaan daripada aktiviti-aktiviti tidak patuh Syariah; dan
- aktiviti-aktiviti lain yang diputuskan sebagai tidak mematuhi prinsip-prinsip Syariah sebagaimana yang ditentukan oleh MPS.

Bagi perniagaan/aktiviti yang disenaraikan di atas, sumbangan daripada perniagaan/aktiviti tidak patuh Syariah kepada jumlah pendapatan Kumpulan sesebuah syarikat mestilah kurang daripada 5%.

Tanda aras nisbah kewangan

Bagi tanda aras nisbah kewangan, MPS mengambil kira perkara berikut:

(i) Tunai ke atas jumlah aset

Tunai yang diambil kira ialah tunai yang ditempatkan dalam akaun dan instrumen konvensional, manakala tunai yang ditempatkan dalam akaun dan instrumen Islam tidak diambil kira dalam pengiraan ini.

(ii) Hutang ke atas jumlah aset

Hutang yang diambil kira ialah hutang yang berteraskan faedah, manakala pembiayaan secara Islam ataupun sukuk tidak diambil kira dalam pengiraan ini.

Setiap nisbah di atas, yang bertujuan untuk menilai riba dan elemen berteraskan riba dalam penyata kedudukan kewangan sesebuah syarikat, mestilah kurang daripada 33%.

Di samping kriteria kuantitatif dua peringkat di atas, MPS juga mengambil kira aspek kualitatif yang melibatkan persepsi masyarakat umum atau imej aktiviti syarikat dari perspektif pengajaran Islam.

Sekuriti-sekuriti patuh Syariah termasuk saham biasa dan waran (diterbitkan oleh pihak syarikat sendiri). Ini bermakna waran diklasifikasikan sebagai sekuriti patuh Syariah dengan syarat saham pendasarnya juga patuh Syariah. Selain itu, stok pinjaman dan bon adalah sekuriti tidak patuh Syariah melainkan ianya distruktur berdasarkan keputusan, konsep dan prinsip Syariah yang diluluskan oleh MPS.

Syarikat Pemerolehan Kegunaan Khas[4]

Dalam mengklasifikasikan sekuriti SPAC, MPS mempertimbangkan kriteria-kriteria berikut:

(i) Aktiviti perniagaan yang dicadangkan hendaklah patuh Syariah;

(ii) Keseluruhan hasil kutipan daripada penerbitan tawaran awam permulaan hendaklah ditempatkan dalam akaun Islam; dan

(iii) Sekiranya hasil kutipan dilaburkan, keseluruhan pelaburan berkenaan hendaklah patuh Syariah.

Tempoh pelupusan sekuriti tidak patuh Syariah

Sebagai panduan kepada para pelabur, MPS ingin menasihatkan pelabur mengenai tempoh untuk melupuskan sekuriti yang telah diklasifikasikan sebagai tidak patuh Syariah.

---

[4] SPAC ialah syarikat khas yang ditubuhkan bagi pengambilalihan perniagaan melalui pemerolehan atau penggabungan dengan entiti-entiti lain. SPAC ialah syarikat awam yang belum mempunyai aktiviti perniagaan (*shell company*) yang memperoleh dana melalui tawaran awam permulaan. Dana berkenaan akan disimpan oleh pemegang amanah sementara menunggu proses pengambilalihan yang layak.

(i) 'Sekuriti patuh Syariah' yang kemudiannya bertukar status kepada 'tidak patuh Syariah'

Ini merujuk kepada sekuriti-sekuriti yang sebelum ini diklasifikasikan sebagai patuh Syariah tetapi, disebabkan beberapa faktor seperti perubahan dalam operasi perniagaan syarikat dan kedudukan kewangan, kemudiannya diklasifikasikan sebagai tidak patuh Syariah.

Oleh yang demikian, sekiranya pada tarikh berkuat kuasa, harga pasaran sekuriti tersebut melebihi atau bersamaan dengan kos pelaburan, para pelabur yang memegang sekuriti tidak patuh Syariah tersebut mesti melupuskannya. Sebarang dividen yang diterima sehingga tarikh berkuat kuasa serta keuntungan modal hasil daripada pelupusan sekuriti tidak patuh Syariah tersebut pada tarikh berkuat kuasa, boleh disimpan oleh para pelabur. Walau bagaimanapun, sebarang dividen yang diterima dan lebihan keuntungan modal yang diterima hasil daripada pelupusan sekuriti tidak patuh Syariah selepas tarikh kuat kuasa, hendaklah disalurkan kepada baitulmal dan/atau badan-badan kebajikan[5].

Sebaliknya para pelabur dibenarkan untuk memegang pelaburan dalam sekuriti tidak patuh Syariah sekiranya harga pasaran sekuriti tersebut berada di bawah kos pelaburan. Sepanjang tempoh pegangan sekuriti tidak patuh Syariah, para pelabur juga dibenarkan untuk menyimpan dividen yang diterima sehingga jumlah dividen yang diterima dan harga pasaran sekuriti tidak patuh Syariah tersebut bersamaan dengan kos pelaburan. Pada ketika ini, para pelabur dinasihatkan untuk melupuskan pegangan mereka.

---

[5] Bagi dana-dana Islam seperti dana unit amanah Islam, dana borong Islam dan sebagainya, keuntungan mestilah disalurkan kepada baitulmal dan/atau badan-badan kebajikan seperti yang dinasihatkan oleh penasihat Syariah dana atau syarikat pengurusan dana.

Di samping itu, sepanjang tempoh pegangan, para pelabur juga dibenarkan untuk melanggan:

(a) sebarang terbitan sekuriti baru oleh syarikat yang mana sekuritinya tidak patuh Syariah yang dipegang oleh pelabur, sebagai contoh, terbitan hak, terbitan bonus, terbitan khas dan waran (tidak termasuk sekuriti yang tidak patuh Syariah seperti stok pinjaman); dan

(b) sekuriti patuh Syariah syarikat lain yang ditawarkan oleh syarikat yang mana sekuritinya tidak patuh Syariah yang dipegang oleh para pelabur,

dengan syarat mereka menyegerakan pelupusan sekuriti tidak patuh Syariah tersebut.

(ii) Sekuriti tidak patuh Syariah

MPS menasihatkan para pelabur yang melabur berdasarkan prinsip Syariah supaya melupuskan sekuriti tidak patuh Syariah yang dipegang, dalam tempoh tidak melebihi satu bulan selepas mengetahui status sekuriti tersebut. Sebarang keuntungan dalam bentuk keuntungan modal atau dividen yang diterima sebelum atau selepas pelupusan sekuriti tersebut mesti disalurkan kepada baitulmal dan/atau badan kebajikan. Para pelabur hanya berhak untuk mengambil kos pelaburan sahaja.[6]

Perhatian: Kos pelaburan termasuk kos pembrokeran atau transaksi yang berkaitan.

---

[6] Panduan ini juga terpakai kepada dana-dana Islam seperti dana unit amanah Islam, dana borong Islam dan sebagainya. Jika pelupusan tersebut menyebabkan kerugian kepada dana, syarikat pengurusan dana berkenaan hendaklah menanggung kerugian dengan memastikan nilai kerugian tersebut dikembalikan semula kepada dana.
