INTRODUCTION

General

- 1.01 [Deleted]
- 1.02 The *Guidelines on Private Retirement Schemes* (Guidelines) are issued by the SC pursuant to section 377 of the *Capital Markets and Services Act 2007* (CMSA). These Guidelines set out requirements that must be complied with by a PRS Provider and a Scheme Trustee in relation to private retirement schemes (PRS). The requirements on matters relevant to members are binding on them including the requirements on account opening, transfer, switching, withdrawal, and nomination.
- 1.02A These Guidelines are divided into two sections:
- (a) **Section A** sets out the requirements that must be complied with by a PRS Provider and a Scheme Trustee in establishing, offering or providing a Scheme; and
 - (b) **Section B** sets out the requirements on nomination which are binding on PRS Providers, Private Pension Administrator (PPA) and members.
- 1.03 [Deleted]
- 1.04 The securities laws, these Guidelines and other guidelines issued in relation and applicable to private retirement schemes form the regulatory framework for private retirement schemes in Malaysia, and must be read together. All parties to a private retirement scheme are expected to be guided by the letter and the spirit of the regulatory requirements.
- 1.04A To assist with the interpretation of the requirements under these Guidelines and their application, Guidance have been provided, where appropriate. Any action or conduct which departs from the Guidance will be taken into account by the SC in determining compliance with these Guidelines.
- 1.05 The SC may, upon application, grant an exemption from or a variation to the requirements of these Guidelines if the SC is satisfied that–
- (a) such variation, if granted is not contrary to the intended purpose of the relevant provision in these Guidelines; or
 - (b) there are mitigating factors which justify the said exemption or variation.
- 1.06 [Deleted]
- 1.07 [Deleted]

- (b) *Guidelines on Unit Trust Advertisement and Promotional Material;*
- (c) *Guidelines on Online Transactions and Activities in Relation to Unit Trust;*
- (d) *Guidelines on Sales Practices of Unlisted Capital Market Products; and*
- (e) *Securities Borrowing and Lending Guidelines.*

Overarching Principles

1.12 The PRS Providers shall be guided by the following principles:

- (a) PRS Providers must act in the interest of members as a whole with the aim of providing cost effective voluntary Schemes and ensure that the Schemes are operated in a proper and efficient manner;

- (b) PRS Providers must ensure that the Schemes are accessible by a wide cross-section of the population. Unreasonable exclusions from participation to a Scheme should be avoided, for example imposition of high minimum contribution amount or not accepting contributions from employers who make contributions on behalf of their employees; and
- (c) PRS Providers must ensure that the investment policies for the funds under the Schemes must be consistent with the objective of building savings for retirement and ensure that there is a prudent spread of risk.

1.13 The principles set out in paragraph 1.12 are in tandem with the SC's regulatory objectives of ensuring robust regulation and supervision of the private retirement scheme industry, promoting trust and confidence in the private retirement schemes and protecting members' interests.

- 8.43 In determining compliance with the limits or restrictions, any accrued entitlement on the securities/instruments held by the fund may be excluded. The entitlement must not be exercised if the exercise results in a breach of any limit or restriction.
- 8.44 Notwithstanding paragraph 8.43, the right of convertibility may be exercised if it results in a breach of any limit or restriction, provided there are justifiable reasons and prior approval of the Scheme Trustee has been obtained. Nonetheless, the fund manager must, within a time-frame of not more than one month from the date of the breach, take all necessary steps and actions to rectify the breach.

- 9.03 Subject to paragraph 9.18, any increase in the maximum amount or maximum rate stated in the deed can only be made by way of a supplementary deed and pursuant to a special resolution passed at a meeting of members of the Scheme or the fund within the Scheme, as the case may be.
- 9.04 Discounts and rebates in any form are prohibited. A PRS Provider, its sales agents and distributors must clearly inform members and contributors of the actual rate of charges payable.
- 9.05 For the purpose of calculating the charges, the calculation must be based on a fund's NAV per unit that has not been rounded up.
- 9.05A NAV per unit is computed based on the NAV of the fund divided by the number of units in circulation, at the valuation point. Where multiple classes of units are issued, NAV per unit is computed based on the NAV of the fund attributable for a class of units divided by the number of units in circulation for that class of units, at the valuation point.

Management Fee and Scheme Trustee Fee

- 9.06 A PRS Provider and Scheme Trustee may only be remunerated by way of an annual fee charged to the fund.

- 9.07 The fees may only be charged to the fund if permitted by the deed and clearly disclosed in the disclosure document.

 - (e) 90 days have elapsed since the date of the supplementary or replacement disclosure document.
- 9.10 Subject to paragraph 9.18, any increase in the maximum rate stated in the deed may only be made by way of a supplementary deed and pursuant to a special resolution passed at a meeting of members of the Scheme or the fund within the Scheme, as the case may be.

- (d) Fees and other expenses properly incurred by the auditor appointed for the Scheme;
- (e) Fees for the valuation of fund's assets by independent valuers for the benefit of the funds under the Scheme;
- (f) Costs incurred for the modification of the deed other than those for the benefit of the PRS Provider or Scheme Trustee; and
- (g) Costs incurred for any meeting of members other than those convened by, or for the benefit of, the PRS Provider or Scheme Trustee.

9.14A Notwithstanding paragraph 9.14, fees payable to the PPA may be paid out of a fund.

9.15 General overheads and costs for services expected to be provided by the PRS Provider must not be charged to the fund. Costs of issuing disclosure document must be borne by the PRS Provider but may be charged to the fund if no sales charge is imposed.

Suspension of Dealing in Units

10.19 A Scheme Trustee must suspend dealing in units of the fund—

- (a) where requests are made by the PRS Provider to cancel units to satisfy a repurchase request and the Scheme Trustee considers that it is not in the best interest of members to permit the fund's assets to be sold or that the fund's assets cannot be liquidated at an appropriate price or on adequate terms; or
- (b) due to exceptional circumstances, where there is good and sufficient reason to do so, considering the interests of members.

10.19A A suspension of dealing in units under paragraph 10.19 can apply to one or more classes of units without being applied to other classes provided always that such suspension does not prejudice the interests of members.

10.20 A suspension under subparagraph 10.19(a) must only be carried out where the interests of members would be materially affected if the dealing in units were not suspended. In such a case, the Scheme Trustee must immediately call for a members' meeting to decide on the next course of action.

10.21 A suspension under subparagraph 10.19(b) must cease as soon as practicable after the exceptional circumstances have ceased, and in any event, within 21 days of the commencement of the suspension.

10.22 A Scheme Trustee must not create or cancel units when dealing in units is suspended.

10.24 Before resuming dealing in units after any suspension, the PRS Provider must notify the SC in writing of the proposed resumption and the date of the proposed resumption.

10.25 A PRS Provider may deal in units at a price calculated by reference to the first valuation point after restart of dealing in units.

Valuation

10.25A A PRS Provider must ensure that the fund and the fund's units are correctly valued and priced, in line with the requirements of this chapter and Schedule C of these Guidelines, the deed and the disclosure document.

- 10.26 To determine the fund's NAV per unit, a fair and accurate valuation of all assets and liabilities of the fund must be conducted. Valuations must be based on a process which is consistently applied and leads to objective and independently verifiable valuations.
- 10.27 The valuation points for a fund must be at least once every business day.
- 10.28 No valuation points are required during the initial offer period.
- 10.29 [Deleted]

- 10.31 Upon completion of a valuation, the Scheme Trustee must be immediately notified of the NAV per unit of the fund.

Price of a Unit

- 10.32 The price of a fund's unit must be the NAV per unit of the fund. Where a fund issues multiple classes of units, the price of a unit of any class of units must be calculated:
- (a) by reference to the NAV of the fund; and
 - (b) in accordance with the provisions of both the deed and disclosure document applying to that class of units.

- 10.33A In circumstances where the prior authorisation of the PPA is required, any repurchase of units will be at a price that is the NAV per unit of the fund as at the next valuation point after the PPA's authorization is received by the PRS Provider.

Incorrect Valuation or Pricing

- 10.34 Where incorrect valuation or pricing occurs, a PRS Provider must—
- (a) notify the Scheme Trustee; and
 - (b) notify the SC, unless the Scheme Trustee considers the incorrect valuation or pricing to be of minimal significance.

- (a) by the PRS Provider to the fund;
- (b) from the fund to the PRS Provider; or
- (c) by the PRS Provider to members and former members.

10.36 Notwithstanding paragraph 10.35, rectification need not, unless the Scheme Trustee otherwise directs, extend to any reimbursement where the Scheme Trustee considers the incorrect valuation or pricing to be of minimal significance.

Dilution Fee or Transaction Cost

10.37 Where there are material costs involved in acquiring or disposing a fund's assets, a PRS Provider may—

- (a) require the payment of a dilution fee or transaction cost; or
- (b) make a dilution or transaction cost adjustment,

provided that it is permitted by the deed and clearly disclosed in the disclosure document.

10.40 Where an adjustment is made, it may be made to the NAV per unit to reduce the dilution in the fund or to recover any amount which the fund had already paid or reasonably expects to pay in the future for the creation or cancellation of units.

10.41 As soon as practicable after a valuation point, the PRS Provider must notify the Scheme Trustee on the amount or rate of any dilution adjustment made to the NAV per unit of the fund or any dilution fee imposed.

Once an individual is a member of a PRS and has exercised his cooling-off right, the cooling-off right is not available for subsequent contributions whether to that PRS or a PRS managed by another PRS Provider. - 11.10 Where contributions are made by or on behalf of a member who does not select a fund under the PRS, the PRS Provider must allocate contributions into the default option that corresponds to the age of the member as specified in Schedule B of these Guidelines.
- 11.10A Notwithstanding paragraph 11.10, where an individual becomes a member and has made his first contribution to the Scheme a month before he attains the age of 45 or 55 years old as the case may be, the PRS Provider must allocate such contribution to the moderate fund or conservative fund as the case may be.

- 11.12 Where a member is allocated to the default option under paragraph 11.10, the PRS Provider must, within a reasonable time from the first contribution, notify the member that the member has been allocated to the default option and provide to that member a brief description of how the default option operates.
- 11.13 Subject to paragraph 11.13A, where the member is in the default option, the PRS Provider must redeem the member's units in the current core fund and purchase units in the next core fund before the end of the next calendar month from the day the member attains the age of 45 years old and the age of 55 years old ("**Switch-in Date**"), unless the member instructs otherwise.
- 11.13A In relation to the switching exercise referred to in paragraph 11.13, the switching must be executed in equal proportion over a five-year period based on the number of units remaining in the relevant fund. The first switching must be executed on the Switch-in Date and the subsequent four switching must be executed no later than 10 business days from each anniversary of the Switch-in Date.
- 11.14 Where the member is in the default option, the PRS Provider must notify the member one month before the member attains the age specified in subparagraphs 11.13(a) and (b), that the member's investments in a core fund will be switched in accordance with the rules of

the default option unless the member instructs otherwise. The notice to the member must at minimum include general investment advice and outlook.

- 11.20 For interim distribution, a PRS Provider may, instead of sending a statement required under paragraph 11.19, choose to publish the same information in the PRS Provider's website or through an advertisement in at least one national Bahasa Malaysia newspaper and one national English newspaper.

Unit Split

- 11.21 A unit split exercise may only be conducted once in any financial year of the fund.

- 11.22 A unit split exercise may only be conducted when the monthly average NAV per unit of the fund has shown a sustainable appreciation over a 6-month period preceding the unit split exercise.

Guidance to paragraph 11.22

Sustainable appreciation means the monthly average NAV per unit of a fund increases from one month to another over the 6-month period.

- 11.23 The PRS Provider must submit the Scheme Trustee's verification on compliance with paragraph 11.22 to the SC within 14 days after the unit split exercise.

Conflict of interest or related-party transaction

- 11.26 A PRS Provider, a fund manager, a Scheme Trustee and a Scheme Trustee's delegate must avoid any conflict of interest. Where a conflict cannot be avoided, appropriate safeguards must be put in place to protect the interests of members and ensure that the fund is not disadvantaged by the transactions concerned.
- 11.27 Any related party transactions, dealing, investment and appointment involving parties to a fund must be made on terms which are the best available for the fund and which are no less favourable to the fund than an arm's length transaction between independent parties.
- 11.28 The appointment or renewal of appointment of a fund manager or a Scheme Trustee's delegate who is a related party must be approved by the independent directors of the PRS Provider.

Use of Brokers or Dealers

- 11.29 Every broker or dealer used for any dealing in the fund's assets, either by the PRS Provider or the fund manager, must be approved by the investment committee of the fund.
- 11.30 In approving a broker or dealer, the investment committee must-
- (a) be satisfied that the dealings in the fund's assets will be effected by the broker or dealer on terms which are the most favourable for the fund (best execution basis); and

- (b) prescribe a limit in terms of proportion of dealings, in percentage form, to be executed with each broker or dealer.

11.31 In determining the limit under subparagraph 11.30(b), the investment committee must consider–

- (a) the capability and services of the broker or dealer concerned; and
- (b) the desirability of keeping a good spread of brokers or dealers for the fund.

11.32 Notwithstanding subparagraph 11.30(b) and paragraph 11.31, the use of any broker or dealer for a fund must not exceed 50% of the fund's dealings in value in any one financial year of the fund.

Guidance to paragraph 11.32

The 50% limit of the fund's dealings in value should cover equities and fixed income securities.

Rebates and Soft Commissions

11.33 A PRS Provider, fund manager, a Scheme Trustee or Scheme Trustee's delegate must not retain any rebate from, or otherwise share in any commission with, any broker or dealer in consideration for directing dealings in a fund's assets. Accordingly, any rebate or shared commission must be directed to the account of the fund concerned.

11.34 Notwithstanding paragraph 11.33, goods and services (soft commissions) provided by any broker or dealer may be retained by the PRS Provider or the fund manager if-

- (a) the goods and services are of demonstrable benefit to members and in the form of research and advisory services that assist in the decision making process relating to the fund's investments;
- (b) dealings with the broker or dealer are executed on terms which are the most favourable for the fund; and
- (c) the practice of the PRS Provider or the fund manager in relation to soft commission is adequately disclosed in the disclosure document and fund reports including a description of the goods and services received by the PRS Provider or the fund manager.

11.35 Where paragraph 11.34 applies, the compliance officer must verify and inform the PRS Provider's board of directors or audit committee or compliance committee, if any, that any goods or services received by the PRS Provider or the fund manager comply with the requirements of these Guidelines.

- 11.42 If an event under paragraph 11.40(e) occurs, the Scheme Trustee must proceed to terminate the fund in accordance with the approved transfer Scheme.

- 11.49 A transfer scheme must not be implemented without the sanction of special resolution of members of both the transferor and transferee funds.
- 11.50 If the PRS Provider and Scheme Trustee or other persons providing oversight functions for the transferee fund or the auditor of the transferee fund agree that the receipt of the assets concerned for the account of the transferee fund–
- (a) is not likely to result in any material prejudice to the interests of members of the transferee fund;
 - (b) is consistent with the investment objective of the transferee fund; and

The revocation of such nomination shall not affect the other nominees. 15.12 A revocation of a nomination made through a revocation form or a subsequent nomination made in a new nomination form shall become effective upon receipt by the PPA or PRS Provider, whichever is earlier, of a duly completed and witnessed form.

15.13 Where a nomination is revoked under paragraphs 15.09, the accrued benefits shall be paid to a lawful executor or administrator of the member's estate as if the member has not made a nomination.

 - (a) locate the information;
