4.6 DECLARATION BY OUR PROMOTERS, DIRECTORS AND KEY SENIOR MANAGEMENT

As at the LPD, none of our Promoters, Directors and Key Senior Management is or was involved in any of the following events, whether within or outside Malaysia:-

- (i) In the last 10 years, a petition under any bankruptcy or insolvency laws was filed (and not struck out) against such person or any partnership in which he/she was a partner or any corporation of which he/she was a director or member of key senior management; or
- (ii) Disqualified from acting as a director of any corporation, or from taking part directly or indirectly in the management of any corporation; or
- (iii) In the last 10 years, charged or convicted in a criminal proceeding or is a named subject of a pending criminal proceeding; or
- (iv) In the last 10 years, any judgement was entered against him/her, or finding of fault, misrepresentation, dishonesty, incompetence or malpractice on his/her part, involving a breach of any law or regulatory requirement that relates to the capital market; or
- (v) In the last 10 years, the subject of any civil proceeding, involving an allegation of fraud, misrepresentation, dishonesty, incompetence or malpractice on his/her part that relates to the capital market; or
- (vi) Being the subject of any order, judgment or ruling of any court, government, or regulatory authority or body temporarily enjoining him/her from engaging in any type of business practice or activity; or
- (vii) In the last 10 years, he/she has been reprimanded or issued any warning by any regulatory authority, securities or derivatives exchange, professional body or government agency; or
- (viii) Any unsatisfied judgment against him/her.

For the information of our prospective investors, Mr. Mu was adjudged bankrupt by the SG Bankruptcy Order on 21 March 2003 as he was in default of a statutory demand issued by a financial institution against him for outstanding credit card bill payment in the sum of approximately SGD16,000.00. After the SG Bankruptcy Order was made against Mr. Mu, he arranged to make full repayment of the outstanding sum owed to the financial institution sometime in 2003. On 29 March 2004, a certificate of annulment was issued by the Official Assignee of Singapore to annul the SG Bankruptcy Order as Mr. Mu had fully repaid the relevant debt. Mr. Mu confirmed that the SG Bankruptcy Order had been annulled with no further adverse impact against him.

Having considered the following:-

- (i) The SG Bankruptcy Order was issued more than 19 years ago and involved a relatively immaterial amount; and

4. INFORMATION ON OUR PROMOTERS, SUBSTANTIAL SHAREHOLDERS, DIRECTORS AND KEY SENIOR MANAGEMENT (CONT'D)

- (ii) Mr. Mu arranged to make full repayment of the outstanding sum owed to the financial institution following the SG Bankruptcy Order; and
- (iii) Mr. Mu had never been adjudged bankrupt before and had not been adjudged bankrupt again after annulment of the SG Bankruptcy Order; and
- (iv) Mr. Mu's experience and contribution to the development and growth of our Group. Throughout the years, Mr. Mu had demonstrated his competence and ability as a director of the operating subsidiary companies of our Company, which had grown and expanded both operationally and financially under his management. Our Company considers that Mr. Mu has the character, experience and integrity which commensurate with his position as a Director; and
- (v) The legal advisers of our Company as to the laws of Malaysia and the laws of Singapore have each confirmed that an individual is not prohibited from acting as a director of a company incorporated in each of the respective foregoing jurisdictions as a result of him/her being adjudged bankrupt in the past, after such bankruptcy has been annulled,

Our Company and our Directors do not see that Mr. Mu's suitability as a Director is called into question as a result of the SG Bankruptcy Order. The annulment of the SG Bankruptcy Order has the effect of putting Mr. Mu in the same position as if no SG Bankruptcy Order had been made against him.

In light of the above, our Directors and our Company have no reason to believe the circumstances leading to the SG Bankruptcy Order involved any element of fraud or dishonesty, nor did they raise serious concerns as to the integrity on the part of Mr. Mu and the suitability of Mr. Mu as a Director. Our Directors and our Company are of the view that the SG Bankruptcy Order and the subsequent annulment do not affect Mr. Mu's suitability as a director of a listed company.

4.7 MANAGEMENT SUCCESSION PLAN

Our Group has implemented a management succession plan, where we have put in place a process to groom middle management staff to gradually assume the responsibilities of senior management. Our Group's strategy for management continuity is driven by our Key Senior Management.

In summary, we have taken the following steps, in the event of any planned or unplanned changes in our Key Senior Management:-

- (i) Identifying talented employees, where our Key Senior Management identifies middle management staff to gradually assume responsibilities of senior management by recognising the key competencies and requirements of these employees; and
- (ii) Career development and progression, which is done through on-the-job training as well as mentoring, coaching and training programs. Our Key Senior Management will continue to groom middle management personnel to gradually assume greater responsibilities after reviewing each employee's capability, knowledge, skills, leadership and performance contribution; and
- (iii) Competitive remuneration and benefits to reward our performing employees and to retain their services with our Group.

In addition, we also ensure that our middle management personnel are constantly exposed to various aspects of our business activities. This enables our middle management personnel to

acquire an understanding of the business so that they are adequately equipped with the necessary knowledge for them to advance to higher senior management positions.
