Senarai Sekuriti Patuh Syariah oleh Majlis Penasihat Syariah Suruhanjaya Sekuriti Malaysia

Penolak Tuntutan

Buku kecil ini bukan merupakan satu syor untuk membeli atau menjual sekuriti yang diklasifikasikan sebagai sekuriti patuh Syariah oleh Majlis Penasihat Syariah Suruhanjaya Sekuriti Malaysia (SC). Tujuannya hanyalah untuk memberikan penerangan am. Buku ini tidak mengandungi nasihat atau maklumat yang menyeluruh berkaitan dengan perkara yang dibincangkan. Ia tidak seharusnya digunakan sebagai pengganti kepada nasihat perundangan atau pelaburan. Sekiranya terdapat sebarang kemusykilan, anda disyorkan supaya mendapatkan nasihat profesional.

Walaupun segala usaha telah diambil dalam memastikan ketepatan kandungan buku kecil ini, pihak SC tidak akan dipertanggungjawab bagi mana-mana maklumat yang tidak tepat atau tidak lengkap.

Senarai sekuriti patuh Syariah oleh Majlis Penasihat Syariah SC akan dikemas kini dan diumumkan kepada orang ramai oleh SC.

Majlis Penasihat Syariah (MPS) Suruhanjaya Sekuriti Malaysia (SC) telah meluluskan senarai terkini sekuriti yang diklasifikasikan sebagai sekuriti patuh Syariah. Senarai sekuriti patuh Syariah, iaitu yang tersenarai di Bursa Malaysia, berkuat kuasa mulai **25 Mei 2012**.

Lima (5) sekuriti yang baru diklasifikasikan oleh MPS sebagai sekuriti patuh Syariah telah dimasukkan dalam senarai tersebut (Jadual 1). Tiada sekuriti yang dikeluarkan daripada senarai sekuriti patuh Syariah yang diterbitkan pada November 2011. Senarai lengkap 825 sekuriti patuh Syariah serta pecahan sekuriti ini berdasarkan sektor adalah seperti di Lampiran.

Jadual 1

Sekuriti yang baru diklasifikasikan sebagai sekuriti patuh Syariah

Bil.	Kod stok	Nama sekuriti	Bil.	Kod stok	Nama sekuriti
1.	5214	China Stationery Ltd	4.	2011	Lingui Development Bhd
2.	5208	EITA Resources Bhd*	5.	5218	SapuraKencana Petroleum Bhd*
3.	3689	Fraser & Neave Holdings Bhd			

** Sekuriti syarikat-syarikat ini telah diklasifikasikan sebagai patuh Syariah di peringkat IPO.*

Dalam mengklasifikasikan sekuriti ini, MPS menerima input dan sokongan daripada SC. Pihak SC mengumpulkan maklumat syarikat melalui pelbagai sumber seperti laporan kewangan tahunan syarikat, maklum balas kepada borang kaji selidik yang dikeluarkan untuk mendapatkan maklumat terperinci dan juga melalui pertanyaan yang dibuat kepada pihak pengurusan syarikat berkenaan. SC melalui MPS akan sentiasa mengawasi aktiviti semua syarikat yang tersenarai di Bursa Malaysia secara berkala berdasarkan maklumat sedia ada untuk menentukan statusnya daripada perspektif Syariah.

MPS telah menggunakan beberapa kriteria tertentu dimana kajian ditumpukan kepada aktiviti sesebuah syarikat yang sekuritinya tersenarai di Bursa Malaysia. Oleh yang demikian, tertakluk kepada beberapa syarat yang telah ditetapkan,

syarikat yang menjalankan aktiviti selaras dengan prinsip Syariah akan diklasifikasikan sebagai sekuriti patuh Syariah. Sebaliknya, sesebuah syarikat diklasifikasikan sebagai sekuriti yang tidak patuh Syariah sekiranya syarikat menjalankan aktiviti teras yang tidak selaras dengan Syariah seperti yang berikut:

- (a) Perkhidmatan kewangan yang berteraskan *riba* (faedah);
- (b) Perjudian dan pertaruhan;
- (c) Pengeluaran atau penjualan barangan yang tidak halal atau barangan yang berkaitan;
- (d) Insurans konvensional;
- (e) Aktiviti hiburan yang tidak selaras dengan Syariah;
- (f) Pengeluaran atau penjualan barangan yang berasaskan tembakau atau barangan yang berkaitan;
- (g) Pembrokeran atau jual beli sekuriti tidak patuh Syariah; dan
- (h) Aktiviti lain yang didapati tidak selaras dengan Syariah.

MPS juga mengambil kira tahap sumbangan daripada pendapatan faedah yang diperolehi syarikat hasil daripada simpanan tetap konvensional atau instrumen kewangan konvensional yang lain. Selain itu, dividen yang diterima daripada pelaburan dalam sekuriti tidak patuh Syariah juga diambil kira dalam kajian yang dijalankan oleh MPS.

Bagi syarikat yang menjalankan aktiviti bercampur antara aktiviti yang selaras dan tidak selaras dengan Syariah, MPS mempertimbangkan dua kriteria tambahan iaitu:

- (a) pandangan masyarakat umum tentang imej syarikat berkenaan mestilah baik; dan
- (b) aktiviti teras syarikat mempunyai kepentingan dan *masalah* (kebaikan secara umum) kepada umat Islam dan negara manakala unsur yang tidak selaras dengan Syariah adalah amat kecil dan melibatkan perkara *`umum*

balwa (perkara terlarang yang sukar dielakkan), *`uruf* (amalan kebiasaan) dan hak-hak masyarakat bukan Islam yang diperakui oleh Islam.

Bagi Syarikat Pemerolehan Kegunaan Khas¹ (*Special Purpose Acquisition Company – SPAC*) diklasifikasikan sebagai patuh Syariah, MPS akan mempertimbangkan kriteria seperti berikut:

- (a) Aktiviti perniagaan yang dicadangkan mestilah patuh Syariah;
- (b) Hasil kutipan daripada penerbitan tawaran awam permulaan (IPO) hendaklah disimpan dalam akaun Islam; dan
- (c) Sekiranya hasil kutipan dilaburkan, pelaburan berkenaan hendaklah mematuhi Syariah.

Untuk penentuan percampuran sumbangan daripada aktiviti yang selaras dan tidak selaras dengan Syariah kepada perolehan dan keuntungan sebelum cukai sesebuah syarikat, MPS telah menetapkan beberapa tanda aras tertentu mengikut *ijtihad* (proses mengeluarkan pendapat daripada sumber Syariah oleh ulama' yang layak). Sekiranya sumbangan daripada aktiviti yang tidak selaras melebihi tanda aras yang telah ditetapkan, maka sekuriti syarikat tersebut akan diklasifikasikan sebagai sekuriti tidak patuh Syariah. Tanda aras tersebut adalah seperti yang berikut:

a. Tanda aras lima peratus

Tanda aras ini digunakan bagi mengukur tahap percampuran sumbangan aktiviti yang jelas keharamannya (tidak selaras dengan Syariah) seperti *riba* (syarikat berasaskan faedah seperti bank konvensional), judi, minuman keras dan daging babi.

¹ Syarikat Pemerolehan Kegunaan Khas (SPAC) ialah perantara khas pelaburan yang ditubuhkan bagi pengambilalihan perniagaan melalui pemerolehan atau pengabungan dengan entiti lain. SPAC ialah syarikat awam yang belum beraktiviti (*shell company*) yang memperoleh dana melalui terbitan awam permulaan (IPO). Dana berkenaan akan dipegang oleh pemegang amanah sehingga selesai proses pengambilalihan syarikat.

b. Tanda aras 10 peratus

Tanda aras ini digunakan bagi mengukur tahap percampuran sumbangan aktiviti yang melibatkan unsur “*umum balwa*” iaitu perkara terlarang yang melibatkan kebanyakan orang dan sukar untuk dielakkan. Contoh sumbangan tersebut adalah pendapatan faedah daripada simpanan tetap dalam bank konvensional. Tanda aras ini juga digunakan bagi aktiviti yang melibatkan tembakau.

c. Tanda aras 20 peratus

Tanda aras ini digunakan bagi mengukur tahap percampuran sumbangan terimaan sewaan daripada aktiviti tidak patuh Syariah seperti terimaan sewaan premis yang menjalankan aktiviti perjudian, jualan arak dan sebagainya.

d. Tanda aras 25 peratus

Tanda aras ini digunakan bagi mengukur tahap percampuran sumbangan aktiviti yang secara umumnya selaras dengan Syariah dan mempunyai *maslahah* kepada masyarakat awam, namun terdapat unsur lain yang boleh menjejaskan status Syariah aktiviti berkenaan. Antara aktiviti yang mempunyai tanda aras ini ialah aktiviti pengoperasian hotel dan pusat peranginan, perniagaan saham, pembrokeran dan sebagainya kerana aktiviti tersebut berkemungkinan melibatkan aktiviti lain yang tidak selaras dengan Syariah.

Sekuriti patuh Syariah ini termasuk saham biasa, waran dan hak langganan boleh pindah (TSR). Ini bermakna waran dan TSR diklasifikasikan sebagai sekuriti patuh Syariah dengan syarat saham pendasar kedua-duanya merupakan sekuriti patuh Syariah. Walau bagaimanapun, stok pinjaman dan bon ialah sekuriti tidak patuh Syariah melainkan terbitannya berpandukan prinsip Syariah.

Sebagai panduan kepada pelabur, MPS ingin menasihatkan para pelabur mengenai masa yang sesuai untuk melupuskan sekuriti tidak patuh Syariah.

(i) “Sekuriti patuh Syariah” yang kemudiannya bertukar status kepada “tidak patuh Syariah”

Ini merujuk kepada sekuriti yang sebelum ini diklasifikasikan sebagai sekuriti patuh Syariah tetapi oleh kerana beberapa alasan, seperti pertukaran dalam operasi syarikat, kemudiannya diklasifikasikan sebagai tidak patuh Syariah. Oleh yang demikian, sekiranya pada tarikh senarai terkini ini berkuat kuasa (**25 Mei 2012**), nilai sekuriti yang dipegang melebihi kos pembelian asal; pelabur yang memegang sekuriti tidak patuh Syariah itu mesti melupuskannya. Sebarang keuntungan modal yang diperoleh daripada pelupusan sekuriti tidak patuh Syariah pada masa pengumuman dibuat boleh diambil oleh pelabur. Walau bagaimanapun, sebarang lebihan keuntungan modal yang diperoleh daripada penjualan selepas hari pengumuman pada harga pasaran yang lebih tinggi daripada harga penutup pada hari pengumuman, hendaklah disalurkan kepada badan kebajikan² atau *baitulmal*.

Sebaliknya, pelabur dibenarkan untuk memegang pelaburan mereka dalam sekuriti tidak patuh Syariah sekiranya harga pasaran sekuriti tersebut adalah bawah kos pembelian asal. Dalam tempoh pegangan itu, pelabur juga dibenarkan untuk menerima dividen sehingga jumlah keseluruhan dividen yang diterima dan nilai pasaran sekuriti tidak patuh Syariah tersebut menyamai kos pembelian asal. Pada ketika itu, pelabur dinasihatkan untuk melupuskan sekuriti tersebut.

Di samping itu, dalam tempoh pegangan itu, pelabur juga dibenarkan untuk melanggan:

- (a) sebarang terbitan sekuriti baru oleh syarikat tidak patuh Syariah yang dipegang oleh pelabur, contohnya terbitan hak, terbitan bonus, terbitan khas dan waran [tidak termasuk sekuriti tidak patuh Syariah seperti stok pinjaman tak bercagar boleh tukar tak boleh tebus (ICULS)]; dan
- (b) sekuriti syarikat lain yang ditawarkan oleh syarikat yang mana sekuriti tidak patuh Syariah dipegang oleh pelabur,

² Bagi skim pelaburan Islam seperti dana unit amanah Islam dan sebagainya, lebihan keuntungan tersebut hendaklah disalurkan kepada badan kebajikan yang disyorkan oleh penasihat Syariah dana atau penasihat Syariah pengurusan dana berkenaan.

dengan syarat mereka menyegerakan proses pelupusan sekuriti tidak patuh Syariah. Bagi sekuriti syarikat lain [seperti yang dinyatakan dalam (b) di atas], sekuriti tersebut mestilah sekuriti patuh Syariah.

(ii) Sekuriti tidak patuh Syariah

MPS menasihatkan pelabur yang melabur berpandukan prinsip Syariah supaya melupuskan sekuriti tidak patuh Syariah yang dipegang sekarang (salah labur), dalam tempoh tidak melebihi satu bulan selepas mengetahui status sekuriti tersebut. Sebarang keuntungan dalam bentuk keuntungan modal atau dividen yang diperoleh ketika atau selepas pelupusan sekuriti berkenaan hendaklah disalurkan kepada badan kebajikan atau baitulmal. Pelabur hanya berhak untuk memperoleh kembali kos pembelian asal sahaja.³

Perhatian: Kos pembelian asal termasuk kos pembrokeran atau kos transaksi yang berkaitan.

Pasaran Utama/ Pasaran ACE	Sekuriti patuh Syariah	Jumlah sekuriti ⁴	Peratus sekuriti patuh Syariah (%)
Barangan Pengguna	125	134	93

³ Panduan ini juga terpakai bagi skim pelaburan Islam seperti dana unit amanah Islam dan sebagainya. Jika pelupusan tersebut membawa kerugian pada dana, maka syarikat pengurusan dana berkenaan hendaklah menanggung jumlah kerugian yang dialami dengan memastikan nilai/modal yang terjejas dikembalikan semula kepada dana.

⁴ Setakat 18 Mei 2012

List of Shariah-compliant Securities by the Shariah Advisory Council of the Securities Commission Malaysia

Disclaimer

This document does not constitute a recommendation to buy or sell the listed Shariah-compliant securities by the Securities Commission Malaysia (SC)'s Shariah Advisory Council. It is intended solely for your general information. It does not claim to contain all advice or information on the subject matter, nor is it a substitute for legal or investment advice. If in doubt, you are strongly recommended to seek professional advice.

While care has been taken in the preparation of this booklet, the SC shall not be liable for any inaccuracy or incompleteness of the information contained in this book.

This list of Shariah-compliant securities by the Shariah Advisory Council of the SC will be updated and made known to the public by the SC.

The Shariah Advisory Council (SAC) of the Securities Commission Malaysia (SC) has approved an updated list of securities, which have been classified as Shariah-compliant securities. The list of Shariah-compliant securities which are listed on Bursa Malaysia, will take effect from **25 May 2012**.

Five securities, newly classified by the SAC as Shariah-compliant securities, have been added to the list (Table 1) and none have been excluded from the previous list issued in November 2011. The complete list of the 825 Shariah-compliant securities, as well as a breakdown of these securities according to sector, is provided in the **Appendix**.

Table 1
Newly classified Shariah-compliant securities

No.	Stock code	Name of securities	No.	Stock code	Name of securities
1.	5214	China Stationery Ltd	4.	2011	Lingui Development Bhd
2.	5208	EITA Resources Bhd*	5.	5218	SapuraKencana Petroleum Bhd*
3.	3689	Fraser & Neave Holdings Bhd			

** The securities of these companies have been classified as Shariah compliant at IPO stage.*

In classifying these securities, the SAC received input and support from the SC. The SC gathered information on the companies from various sources, such as company annual financial reports, company responses to survey forms and through inquiries made to the respective company's management. The SC, through the SAC, continues to monitor the activities of all companies listed on Bursa Malaysia on periodic basis based on availability of information to determine their status from the Shariah perspective.

The SAC has applied a standard criterion in focusing on the activities of the companies listed on Bursa Malaysia. As such, subject to certain conditions, companies whose activities are not contrary to the Shariah principles will be classified as Shariah-compliant securities. On the other hand, companies will

be classified as Shariah non-compliant securities if they are involved in the following core activities:

- (a) Financial services based on *riba* (interest);
- (b) Gambling and gaming;
- (c) Manufacture or sale of non-halal products or related products;
- (d) Conventional insurance;
- (e) Entertainment activities that are non-permissible according to Shariah;
- (f) Manufacture or sale of tobacco-based products or related products;
- (g) Stockbroking or share trading in Shariah non-compliant securities; and
- (h) Other activities deemed non-permissible according to Shariah.

The SAC also takes into account the level of contribution of interest income received by the company from conventional fixed deposits or other interest bearing financial instruments. In addition, dividends received from investment in Shariah non-compliant securities are also considered in the analysis carried out by the SAC.

For companies with activities comprising both permissible and non-permissible elements, the SAC considers two additional criteria:

- (a) The public perception or image of the company must be good; and
- (b) The core activities of the company are important and considered *maslahah* (benefit in general) to the Muslim *ummah* (nation) and the country, and the non-permissible element is very small and involves matters such as *'umum balwa* (common plight and difficult to avoid), *'uruf* (custom) and the rights of the non-Muslim community which are accepted by Islam.

For a Special Purpose Acquisition Company (SPAC)¹ to be classified as Shariah-compliant, the SAC had considered the following criteria:

- (a) The proposed business activity should be Shariah-compliant;
- (b) The proceeds raised from the IPO should be placed in an Islamic account; and
- (c) In the event that the proceeds are invested, the investment should be Shariah-compliant.

To determine the tolerable level of mixed contributions from permissible and non-permissible activities towards turnover and profit before tax of a company, the SAC has established several benchmarks based on *ijtihad* (reasoning from the source of Shariah by qualified Shariah scholars). If the contributions from non-permissible activities exceed the benchmark, the securities of the company will be classified as Shariah non-compliant. The benchmarks are:

a. The five-percent benchmark

This benchmark is used to assess the level of mixed contributions from the activities that are clearly prohibited such as *riba* (interest-based companies like conventional banks), gambling, liquor and pork.

b. The 10-percent benchmark

This benchmark is used to assess the level of mixed contributions from the activities that involve the element of "*umum balwa*" which is a prohibited element affecting most people and difficult to avoid. An example of such a contribution is the interest income from fixed deposits in conventional banks. This benchmark is also used for tobacco-related activities.

c. The 20-percent benchmark

This benchmark is used to assess the level of contribution from mixed rental payment from Shariah non-compliant activities such as the rental payment from the premise that involved in gambling, sale of liquor etc.

¹ SPAC is a special investment vehicle formed to acquire businesses through acquisition or merger with other entities. A SPAC is a publicly traded shell company that raises funds through IPOs. The proceeds are placed with a trustee pending a qualified business acquisition.

d. The 25-percent benchmark

This benchmark is used to assess the level of mixed contributions from the activities that are generally permissible according to Shariah and have an element of *maslahah* to the public, but there are other elements that may affect the Shariah status of these activities. Among the activities that belong to this benchmark are hotel and resort operations, share trading, stockbroking and others, as these activities may also involve other activities that are deemed non-permissible according to the Shariah.

Shariah-compliant securities include ordinary shares, warrants and transferable subscription rights (TSRs). This means that warrants and TSRs are classified as Shariah-compliant securities provided the underlying shares are also Shariah-compliant. On the other hand, loan stocks and bonds are Shariah non-compliant securities unless they are issued based on Shariah principles.

As a guide to investors, the SAC would like to advise investors on the timing for the disposal of securities which have been classified as Shariah non-compliant.

(i) “Shariah-compliant securities” which are subsequently considered “Shariah non-compliant”

This refers to those securities which were earlier classified as Shariah-compliant securities but due to certain reasons, such as changes in the companies’ operations, are subsequently considered Shariah non-compliant. In this regard, if on the date this updated list takes effect (**25 May 2012**), the value of the securities held exceeds the original investment cost; investors who hold such Shariah non-compliant securities must liquidate them. Any capital gains arising from the disposal of the Shariah non-compliant securities made at the time of the announcement can be kept by the investors. However, any excess capital gains derived from the disposal after the announcement day at a market price that is higher than the closing price on the announcement day should be channelled to charitable bodies² or *baitulmal*.

On the other hand, investors are allowed to hold their investment in the Shariah non-compliant securities if the market price of the said

² For Islamic investment schemes such as Islamic unit trust and others, the gain must be channelled to charitable bodies as advised by their Shariah adviser or the relevant fund managements’ Shariah adviser.

securities is below the original investment costs. It is also permissible for the investors to keep the dividends received during the holding period until such time when the total amount of dividends received and the market value of the Shariah non-compliant securities held equal the original investment cost. At this stage, they are advised to dispose of their holding.

In addition, during the holding period, investors are allowed to subscribe to:

- (a) any issue of new securities by a company whose Shariah non-compliant securities are held by investors, for example rights issues, bonus issues, special issues and warrants [excluding securities whose nature is Shariah non-compliant e.g. irredeemable convertible unsecured loan stock (ICULS)]; and
- (b) securities of other companies offered by the company whose Shariah non-compliant securities are held by the investors,

on condition that they expedite the disposal of the Shariah non-compliant securities. For securities of other companies [as stated in (b) above], they must be Shariah-compliant securities.

(ii) Shariah non-compliant securities

The SAC advises investors who invest based on Shariah principles to dispose of any Shariah non-compliant securities which they presently hold, within a month of knowing the status of the securities. Any gain made in the form of capital gain or dividend received during or after the disposal of the securities has to be channelled to charitable bodies or *baitulmal*. The investor has a right to retain only the original investment cost.³

Note: Original investment cost may include brokerage cost or other related transaction cost.

³ This guidance also applies to the Islamic investment schemes such as Islamic unit trust fund and others. If the disposal of the Shariah non-compliant securities cause losses to the fund, the fund management company must bear the losses by ensuring the loss portion is restored and returned to the fund.
