PART I: Introduction

1.1 This Guidance and FAQs on the Conduct of General Meetings for Listed Issuers (Guidance Note) was first issued by the Securities Commission Malaysia (SC) on 18 April 2020 with the enforcement of the Movement Control Order (MCO)¹.

1.2 The first revision of the Guidance Note was on 14 May 2020, to align the guidance with the requirements under the Conditional Movement Control Order (CMCO), which took effect from 4 May 2020 to 10 June 2020. The second revision was on 11 June 2020 pursuant to the Recovery Movement Control Order (RMCO), which took effect from 10 June to 31 August 2020. The third and fourth revisions were made on 18 June 2020 and 15 July 2020 pursuant to the issuance of and revision to the standard operating procedure “SOP Am Pelaksanaan Majlis Kerajaan dan Swasta” by the Malaysian National Security Council on 16 June 2020 and 15 July 2020 respectively.

1.3 This Guidance Note is issued to guide all issuers listed on Bursa Malaysia Securities Berhad on the conduct of general meetings, including Annual General Meeting, Extraordinary General Meeting and Meeting of Unit Holders during a period when the RMCO is in place or outside of the RMCO period; but where safe distancing requirements remain. This includes the conduct of fully virtual, hybrid and physical general meetings.

1.4 Fully virtual general meetings are conducted online, without a physical meeting venue for board members, senior management, shareholders³ and others involved in a general meeting to gather. The only venue involved in the conduct of a fully virtual general meeting is the broadcast venue⁴ where only the essential individuals are physically present to facilitate the conduct of a fully virtual general meeting.

1. Implemented under Malaysia’s Prevention & Control of Infectious Diseases Act 1988, Prevention and Control of Infectious Diseases (Measures within Infected Local Areas) Regulations 2020 and the Police Act 1967.

³ For a listed real estate investment trust and exchange-traded fund, this refers to ‘unit holders’.

⁴ A broadcast venue refers to a physical venue in Malaysia where the Chairperson of the general meeting is physically present. The essential individuals may also be present at the broadcast venue to facilitate the conduct of a fully virtual general meeting.
1.5 It is envisaged that the essential individuals would include the Chairperson of the general meeting, board members, the Chief Executive Officer, the Chief Financial Officer, the company secretary, the auditor, the scrutineer and those providing audio and visual support for the fully virtual general meeting. Listed issuers are encouraged to conduct the fully virtual general meeting with the fewest possible number of essential individuals physically present at the broadcast venue.

1.6 **A hybrid general meeting** is conducted at a physical meeting venue(s) with shareholders physically present. The same meeting is broadcasted online, and shareholders are also provided the option of participating in the meeting online (remotely).

1.7 **A physical general meeting** is conducted at a physical meeting venue(s) only, without any online (remote) participation.

1.8 During the RMCO, a listed issuer may choose to conduct a fully virtual, hybrid or physical general meeting. **Listed issuers must abide by the “SOP Am Pelaksanaan Majlis Kerajaan dan Swasta” in conducting these meetings.** Shareholders are strongly encouraged to participate in the general meetings online (remotely), and listed issuers are advised to facilitate online (remote) participation.

1.8 The total number of individuals physically present at the broadcast or meeting venue(s) will depend on the size of the venue. Listed issuers must ensure that a physical distance of at least one meter can be maintained between each meeting participant at all times.

1.9 Listed issuers are advised to include questions and remarks raised by shareholders and the listed issuers’ response during the general meeting in the ‘Key Matters Discussed’; which is to be published on the website of the listed issuer after the conclusion of the general meeting.

1.10 The common concerns or issues in relation to the conduct of general meetings, including fully virtual, hybrid and physical general meetings are addressed in the list of Frequently Asked Questions (FAQs) in Part II of this Guidance Note.

1.11 This Guidance Note will be updated as and when required, including to ensure they are aligned with the Government’s measures to curb the spread of Covid-19.

1.12 This Guidance Note will be applicable beyond the RMCO period. When appropriate and circumstances permit, the RMCO and Covid-19 related guidance will be removed.
1.13 The SC also encourages listed issuers to continue leveraging technology to conduct their general meetings and communication with shareholders beyond the RMCO period.

All listed issuers are reminded to ensure the applicable directives, safety and precautionary requirements as prescribed by the Government, the Ministry of Health, the Malaysian National Security Council, and other relevant authorities to curb the spread of Covid-19 are abided by.
