## INTRODUCTION

- 1.01 This Lodgement Kit provides relevant information and documents that must be lodged with the SC as required under the *Guidelines on Unlisted Capital Market Products under the Lodge and Launch Framework* (*Guidelines on UCMP under the LOLA Framework*) and the *Guidelines on Islamic Capital Market Products and Services* (*Guidelines on ICMPS*).
- 1.02 This Lodgement Kit is in addition to and not in derogation of any other guidelines issued by the SC or any other requirements as provided for under securities laws.
- 1.03 The Lodgement Kit must be read together with the securities laws and the relevant guidelines, including the *Guidelines on UCMP under the LOLA Framework* and the *Guidelines on ICMPS*.
- 1.04 Any lodgement of information or document must be done through an online system specifically for the Lodge and Launch framework.
- 1.05 The relevant Lodgement Party specified in the *Guidelines on UCMP under the LOLA Framework* is responsible for the lodgement of information and documents required under the *Guidelines on UCMP under the LOLA Framework* and the *Guidelines on ICMPS*.
- 1.06 Any information or document lodged must be true, complete and accurate.
- 1.07 All fields required in the online system are mandatory, unless otherwise stated.
- 1.08 Copies of documents (whether in hard copy or soft copy) that have been lodged with the SC should be kept for reference, where necessary.
- 1.09 Lodgement must be accompanied by the relevant fees as prescribed by the SC.

**PART 1**  
**WHOLESALE FUNDS**

## **SECTION 1: INFORMATION TO BE PROVIDED TO THE SC AT THE INITIAL LODGEMENT**

### **LODGEMENT FORM**

#### **Local wholesale fund**

1.01 In establishing a local wholesale fund, the fund management company must provide the following information in the lodgement form:

- (1) Fund name;
- (2) Reason for choosing the fund name;
- (3) To specify if the fund is a conventional fund or an Islamic fund:
  - (a) For an Islamic fund, to provide the name of the Shariah adviser, which could either be a corporation or an individual;
  - (b) For both types of Shariah adviser under subparagraph 1.01(3)(a) above, to provide conflict of interest situation, actual or potential, if any, between the Shariah adviser and the fund management company and the measures to manage such conflict of interest situation. To attach relevant documents (e.g. a chart showing the structure or relationship), if necessary;
- (4) Structure of the fund, which could either be:
  - (a) A trust structure – to provide the name of the trustee and attach an executed and stamped trust deed; or
  - (b) A custodial structure – to provide the name of the custodian and attach a signed custodial agreement;

- (c) For both types of structure mentioned under subparagraphs 1.01(4)(a) and (b) above, to confirm if the trustee or custodian, as the case may be, is independent from the fund management company. If such trustee or custodian is not independent from the fund management company, to explain the relationship of the trustee or the custodian, as the case maybe, with the fund management company. To attach a chart showing the structure or relationship, if necessary;

**Guidance to subparagraphs 1.01(4)(a)**

For deeds that are pending stamping through Lembaga Hasil Dalam Negeri (LHDN)'s Stamps Assessment and Payment System portal, please provide the following confirmation and undertaking signed by at least one director of the fund management company to be provided together with the unstamped deed:

*We, [name of fund management company], confirm that we have on [date] submitted an application to Lembaga Hasil Dalam Negeri Malaysia vide the Stamp Assessment and Payment System (STAMPS) portal for stamping of a deed in relation to [name of fund]. We attach a printout from the STAMPS portal evidencing our application, for SC's reference.*

*We hereby undertake to pay the stamp duty required upon being notified by STAMPS and to submit to the SC a copy of the stamp certificate within 2 business days the certificate is generated by STAMPS.*

1. The unstamped deed must be lodged via the LOLA Online Submission System ("LOLA OSS"), in the field specified for deed. The abovementioned confirmation and undertaking must form part of the unstamped deed, as the front page of the unstamped deed. For a new wholesale fund, the fund management company may proceed to launch the fund thereafter.
2. After the stamp certificate is generated by STAMPS, the fund management company must proceed to lodge the stamped deed and the stamped certificate in the LOLA OSS as follows:
  - (a) For a wholesale fund that has been launched, the fund management company must update the field for deed with the stamped deed within two (2) business days after the stamp certificate is generated by STAMPS; or
  - (b) For a wholesale fund that has yet to be launched, the fund management company must:

- (i) Provide the stamped deed within two (2) business days after the stamp certificate is generated by STAMPS via the notification module in the LOLA OSS; and
- (ii) After the launch of the fund, to update the deed field with the stamped deed

- (5) For a fund qualified as a sustainable responsible investment fund, to indicate as such and to state the date of qualification. To also attach the qualification letter.
- (6) Base currency of the fund;
- (7) Investment objective of the fund;
- (8) Description on how the investment objective can be achieved;
- (9) Fund type;
- (10) Fund category;
- (11) Asset allocation;
- (12) Distribution policy, type of distribution and the mode of distribution (for both single class and multi-class funds);
- (13) Additional features:
  - (a) To specify if the fund is a single class fund or a multi-class fund;
  - (b) For a single class fund, to specify if the fund has been offered to a country outside Malaysia. If yes, to specify such country and the launch date in such country;

- (c) For a multi-class fund, to specify the class to be offered in Malaysia and outside Malaysia, if any, the country where each class is being offered, the currency denomination of such class, description of the class and its key differences from other classes. For classes that have been launched outside Malaysia, to specify the launch date of such classes.

- (31) Initial offer price in Malaysia. Where the fund is a multi-class fund, to provide the initial offer price for each of the classes.

**Additional documents to be attached at the initial lodgement for foreign wholesale funds**

1.03 In addition to the information required in the lodgement form, the operator must also attach the following documents:

- (1) A declaration by the operator that–
  - (a) the foreign fund is being offered, marketed or distributed to investors in the jurisdiction of the securities regulator that primarily regulates the fund;
  - (b) the relevant licence held by the operator is not being subject to any suspension or revocation order by its securities regulator;
  - (c) the operator complies with the relevant regulatory requirements or is not being investigated for violation of any regulatory requirements; and
  - (d) the lodgement complies with the *Guidelines on UCMP under the LOLA Framework*. Where there are departures from any relevant guidelines, to confirm that exemption or variation has been sought from the SC;
- (2) An undertaking by the operator that–
  - (a) it will submit to the non-exclusive jurisdiction of the courts of Malaysia;

- (b) it will ensure that the constitutive document of the fund will not contain any provisions that exclude Malaysia's courts from entertaining an action or legal proceedings against the fund, the operator or the fund's trustee/fund supervisor/custodian in connection with the fund; and
  - (c) it will immediately cease the offering, marketing or distribution of the fund in Malaysia and will notify the SC accordingly in the event –
    - (i) the foreign fund ceases to be offered, marketed or distributed to investors in the jurisdiction of the securities regulator that primarily regulates the fund; or
    - (ii) the relevant license held by the operator has been suspended or revoked;
- (3) A copy of the authorisation letter issued by the securities regulator that primarily regulates the fund or a letter of certification from the operator certifying that units of the foreign fund are offered, marketed or distributed to sophisticated investors in the relevant foreign jurisdiction;
- (4) A copy of the operator's letter appointing its representative;
- (5) A copy of the operator's letters appointing the distributors for the fund in Malaysia;
- (6) A letter of undertaking by the representative appointed that it will perform the duties required of a representative under the *Guidelines for the Offering, Marketing and Distribution of Foreign Funds*; and
- (7) Where documents lodged with the SC are in a language other than Bahasa Malaysia or English, a confirmation by the operator or advisor that the translated document lodged with the SC is an accurate translation of the original documents.

## **SECTION 2: INFORMATION TO BE PROVIDED TO THE SC WHEN A REVISION TO LODGEMENT IS REQUIRED**

- 2.01 When a revision is made to any item in the lodgement, the reason for such change must be provided.
- 2.02 At the end of each revision, the effective date of change should be specified.

## **SECTION 3: PRE-LODGEMENT INFORMATION FOR RISK MANAGEMENT POLICY AND PROCEDURES DOCUMENTATION**

### **General**

- 3.01 For a wholesale fund that intend to undertake investments into:

- (1) Digital assets;
- (2) Assets via special purpose vehicle; and
- (3) Restricted investment account or unrestricted investment account, which is not regarded as money market instrument,

the fund management company must prepare the requisite risk management policy and procedures documentation as required under the *Guidelines on UCMP under the LOLA Framework*, following the minimum areas as specified under this section.

For the avoidance of doubt, the risk management policy and procedures documentation for the above investments are not required to be submitted to the SC, except for investments into digital assets.

- 3.02 A risk management policy and procedures documentation is expected to be prepared in a standalone document. However, the fund management company may choose to prepare one common documentation for funds where the risk management policy and procedure do not vary significantly.
- 3.03 A fund management company must prepare the documentation to include comprehensive relevant information that are clear and understandable to identify,

monitor, measure, and manage the various risk associated with the investments undertaken.

3.04 The primary components of a sound risk management process expected to be within the documentation includes but are not limited to the following:

- (1) A comprehensive risk measurement approach;
- (2) A detailed structure of limits, guidelines, and other parameters used to govern risk taking; and
- (3) A strong management information system for controlling, monitoring, and reporting risk.

**Submission of risk management policy and procedure documentation for wholesale funds investing in digital assets**

3.05 A fund management company must provide an acknowledgement that the receipt or acceptance by the SC of the risk management policy and procedures documentation of the fund investing in digital assets does not represent that the SC endorses the document.

3.06 In preparing a risk management policy and procedures, the fund management company may be guided with the area provided below which is non-exhaustive and the SC may request additional information where deemed necessary:

- (1) Details of the fund management company's policies on expertise required to trade digital assets as well as manage the related risks including how they are monitored and validated;
- (2) Description of the valuation and pricing methodology for digital assets, and the basis in selecting the valuation method;
- (3) Description of the risk management process and systems used in relation to digital assets, including the type of system (whether it is investment

management system, valuation system, accounting system and etc.) being used;

- (4) Details of units and personnel responsible for risk management;
- (5) Details of the risk management process in assessing the digital assets exchanges in which the digital assets will be traded;
- (6) Description of how the digital assets are custodised;
- (7) Description of the company's policies in complying with the relevant guidelines on digital assets;
- (8) Risk management policy and process in executing investment in digital assets; and
- (9) Details on liquidity risk management policies and procedures, which should –
  - (a) cover the entire life cycle of the fund;
  - (b) be reviewed regularly and updated as and when there are material changes.

3.07 Where material revision is made to the risk management policy and procedures documentation, the fund management company must submit the revised documentation to the SC with appropriate annotation indicating the previous position and the revision made.

**Risk management policy and procedure documentation for wholesale funds investing in assets via special purpose vehicle (SPV)**

3.08 In preparing a risk management policy and procedures, the fund management company may be guided with the area provided below which is non-exhaustive and the SC may request additional information where deemed necessary:

- (1) Details of the management company's policies on expertise required to invest via SPV as well as manage their related risks including how they are monitored

and validated;

- (2) Arrangements or investments in SPVs:
  - (a) Description of arrangement or investments that the SPV proposes to enter into upon launch of the wholesale fund;
  - (b) Information on risk implication of SPV's proposed investment strategy;
  - (c) Due diligence requirements when investing in underlying assets; and
  - (d) Valuation and pricing methodology, and the basis in selecting the valuation method;
- (3) To consider any potential conflict of interest that may arise in respect of the interactions amongst the various parties to the arrangements or investments into which the SPV will enter and how it will be appropriately managed by the fund manager;
- (4) When investing in underlying asset via SPV, to assess the transaction relating to such investments in light of relevant legal, tax, and financial considerations, including consideration of any exit strategies relating to such SPV structures:
  - (a) Effective system of governance which provide for sound and prudent management of SPV taking into account nature, scale and/complexity of risks they assume and its purpose;
  - (b) Legal and ownership structure of SPV including any documents or information and reporting systems of the SPV;
  - (c) Organisational chart of the proposed SPV activity showing all functions, identifying all parties involved and reporting lines;
  - (d) Whether SPV is a single of multi arrangement and detailed information on each arrangement/layer with diagrams of each layer to be provided accordingly;
  - (e) Information of all quantifiable risks of the SPV, including liquidity risks and strategy;

- (5) Detail of provisions for any arrangement in event of termination of SPV including rights and obligations of investors to fund;
- (6) Risk management and oversight, which shall include:
  - (a) Process and systems used in relation to manage the investments via SPV, including the type of system (whether it is investment management system, valuation system, accounting system, etc.) that is being used;
  - (b) Policies and process in structuring and executing investments via SPV;
  - (c) Techniques and tools to monitor, measure and manage associated risks;
- (7) Description of the rights of investors in SPV;
- (8) Where leverage strategies are undertaken,
  - (a) employ an appropriate liquidity management system and adopt procedures which:
    - (i) enable it to monitor the liquidity risk of the SPV; and
