Walaupun segala usaha telah diambil dalam memastikan ketepatan kandungan buku kecil ini, pihak Suruhanjaya Sekuriti tidak akan bertanggungjawab bagi mana-mana maklumat yang tidak tepat atau tidak lengkap.

Senarai sekuriti ini yang diluluskan oleh Majlis Penasihat Syariah Suruhanjaya Sekuriti akan dikemas kini dan diumumkan kepada orang ramai oleh Suruhanjaya Sekuriti.

Majlis Penasihat Syariah (MPS) Suruhanjaya Sekuriti (SC) telah meluluskan senarai terkini sekuriti yang diklasifikasikan sebagai sekuriti yang diluluskan oleh Syariah. Sekuriti tersebut tersenarai di Bursa Saham Kuala Lumpur (BSKL). **Senarai sekuriti yang diluluskan ini berkuat kuasa mulai 26 April 2002.**

Sembilan belas buah syarikat yang baru diklasifikasikan oleh MPS sebagai sekuriti yang diluluskan telah dimasukkan ke dalam senarai tersebut (Jadual 1). Sembilan buah syarikat yang berada dalam senarai sebelum ini telah dikeluarkan (Jadual 2). Senarai lengkap 652 buah sekuriti yang diluluskan adalah seperti di Lampiran.

Jadual 1: Syarikat-syarikat yang baru diklasifikasikan sebagai sekuriti yang diluluskan

1.	Acoustech Bhd.	11.	Pantai Holdings Bhd.
2.	Baneng Holdings Bhd.	12.	PJI Holdings Bhd.
3.	CAM Resources Bhd.	13.	Priceworth Wood Products Bhd.
4.	Cosway Corporation Bhd.	14.	PUC Founder (MSC) Bhd.
5.	FA Peninsular Bhd.	15.	Sateras Resources (M) Bhd.
6.	KSL Holdings Bhd.	16.	SDKM Fibres, Wires & Cable Bhd.
7.	Kumpulan Powernet Bhd.	17.	TSR Capital Bhd.
8.	Lion Corporation Bhd.	18.	United Kotak Bhd.
9.	Lipo Corporation Bhd.	19.	Xian Leng Holdings Bhd.
10.	London Biscuits Bhd.		

Jadual 2: Syarikat-syarikat yang dikeluarkan daripada senarai yang diluluskan

1.	Box Pak (M) Bhd.	6.	Pan Pacific Asia Bhd.
2.	FACB Resorts Bhd.	7.	Prime Utilities Bhd.
3.	Fraser & Neave Holdings Bhd.	8.	Sri Hartamas Bhd.
4.	General Corporation Bhd.	9.	Tanco Holdings Bhd.
5.	Leong Hup Holdings Bhd.		

Dalam mengklasifikasikan sekuriti yang diluluskan, MPS telah menggunakan kriteria tertentu iaitu kajian yang ditumpukan kepada aktiviti utama sesebuah syarikat yang tersenarai di BSKL. Oleh yang demikian, sekuriti syarikat yang menjalankan aktiviti tidak bertentangan dengan prinsip Syariah diklasifikasikan sebagai sekuriti yang diluluskan. Sekuriti sesebuah syarikat akan terkeluar daripada senarai sekuriti yang diluluskan berdasarkan kriteria berikut:

- (i) mempunyai operasi yang berteraskan *riba* (faedah) seperti yang dijalankan oleh institusi kewangan seperti bank perdagangan dan bank saudagar serta syarikat kewangan;
- (ii) mempunyai operasi yang melibatkan aktiviti perjudian;
- (iii) mempunyai operasi mengeluarkan dan/atau menjual barangan yang haram seperti minuman keras, daging khinzir (babi) dan daging yang tidak disembelih mengikut kaedah Islam; dan
- (iv) mempunyai operasi yang melibatkan kegiatan yang mempunyai unsur *gharar* (ketidakpastian) seperti perniagaan insurans konvensional.

Bagi syarikat dengan aktiviti bercampur, iaitu mempunyai unsur yang dibenarkan dan yang diharamkan oleh Syarak, MPS mempertimbangkannya daripada beberapa sudut tambahan, iaitu:

- (v) aktiviti utama syarikat mestilah bukan aktiviti yang bertentangan Syarak sebagaimana yang telah digariskan oleh empat kriteria di atas, manakala unsur haram adalah amat kecil berbanding dengan aktiviti utamanya;
- (vi) pandangan masyarakat umum tentang imej syarikat berkenaan mestilah baik; dan
- (vii) aktiviti utama syarikat mempunyai kepentingan dan *masalah* (kebaikan secara umum) kepada umat Islam dan negara manakala unsur haram yang amat kecil melibatkan perkara '*umum balwa* (kerumitan meluas yang sukar dielakkan), '*uruf* (amalan kebiasaan) dan hak-hak masyarakat bukan Islam yang diperakui oleh Islam.

MPS juga mengambil kira tahap sumbangan daripada pendapatan faedah yang diperolehi syarikat hasil daripada simpanan tetap konvensional sebagai kriteria analisis sekuriti yang diluluskan.

Sekuriti yang diluluskan ini termasuk saham biasa, waran dan hak langganan boleh pindah (TSR). Ini bermakna waran dan TSR adalah diluluskan dari segi Syariah sekiranya saham pendasar kedua-duanya merupakan sekuriti yang diluluskan. Walau bagaimanapun, saham pinjaman dan bon ialah sekuriti yang tidak diluluskan melainkan terbitannya berpandukan prinsip Islam.

Dalam mengklasifikasikan sekuriti ini, MPS menerima input dan sokongan daripada SC. Pihak SC mengumpulkan maklumat syarikat melalui pelbagai sumber seperti laporan kewangan tahunan syarikat, borang kaji selidik yang dikeluarkan untuk mendapatkan maklumat terperinci dan juga melalui soal selidik dengan pihak pengurusan syarikat berkenaan. SC melalui MPS akan sentiasa mengawasi aktiviti semua syarikat yang tersenarai di BSKL dari semasa ke semasa bagi menentukan statusnya.

Sebagai panduan kepada pelabur, MPS ingin menasihati para pelabur mengenai masa yang sesuai untuk meluluskan sekuriti yang tidak diluluskan.

i. Bagi pelabur yang melabur dalam sekuriti yang diluluskan, kemudiannya sekuriti tersebut bertukar statusnya kepada tidak diluluskan:

MPS menasihatkan sekiranya ketika pengumuman ini dikeluarkan, nilai sekuriti yang dipegang melebihi kos pembelian asal, pelabur yang memegang sekuriti yang tidak diluluskan hendaklah melupuskannya. Sebarang keuntungan modal yang diperolehi daripada pelupusan sekuriti yang tidak diluluskan pada masa pengumuman dibuat boleh diambil oleh pelabur. Walau bagaimanapun, sekiranya pelupusan sekuriti yang tidak diluluskan berkenaan dibuat selepas hari pengumuman, maka lebihan keuntungan modal daripada perbezaan harga semasa pasaran dengan harga penutup pada hari pengumuman hendaklah disalurkan kepada badan kebajikan.

Sebaliknya, pelabur dibenarkan untuk memegang sekuriti tersebut sekiranya nilai sekuriti yang dipegang lebih rendah daripada kos pembelian asal. Dalam tempoh pegangan itu, pelabur juga dibenarkan untuk menerima dividen sehingga jumlah keseluruhan dividen yang diterima dan nilai pasaran sekuriti yang tidak diluluskan tersebut menyamai kos pembelian asal. Pada ketika itu, pelabur dinasihatkan untuk melupuskan sekuriti tersebut.

Di samping itu, pelabur semasa dalam tempoh pegangan itu juga dibenarkan untuk melanggan:

- (a) sebarang terbitan sekuriti baru oleh syarikat yang sekuriti tidak diluluskan dipegang oleh pelabur, contohnya terbitan hak, terbitan bonus, terbitan istimewa dan waran (tidak termasuk sekuriti yang tidak diluluskan seperti ICULS); dan
- (b) sekuriti syarikat lain yang ditawarkan oleh syarikat yang sekuriti tidak diluluskan dipegang oleh pelabur,

dengan syarat ia digunakan untuk mempercepatkan proses pelupusan sekuriti-sekuriti yang tidak diluluskan. Bagi sekuriti syarikat lain [seperti yang dinyatakan pada (b) di atas], sekuriti tersebut mestilah yang diluluskan oleh Syariah.

ii. Bagi pelabur yang melabur dalam sekuriti yang tidak diluluskan:

MPS menasihatkan supaya pelabur melupuskan sekuriti yang tidak diluluskan dalam tempoh tidak melebihi satu bulan selepas mengetahui status sekuriti tersebut. Sebarang keuntungan dalam bentuk keuntungan modal atau dividen yang diperoleh ketika atau selepas pelupusan sekuriti berkenaan hendaklah disalurkan kepada badan kebajikan. Pelabur hanya berhak untuk memperoleh kembali kos pembelian asal sahaja.

Perhatian: Kos pembelian asal termasuk kos pembrokeran atau kos transaksi yang berkaitan.

List of Securities Approved by the Syariah Advisory Council of the Securities Commission

Disclaimer

This document does not constitute a recommendation to buy or sell the listed approved securities by the Securities Commission's Syariah Advisory Council. It is intended solely for your general information. It does not claim to contain all advice or information on the subject matter, nor is it a substitute for legal or investment advice. If in doubt, you are strongly recommended to seek professional advice.

While care has been taken in the preparation of this booklet, the Securities Commission does not take any responsibility for any inaccuracy or incompleteness of the information contained in this booklet.

This list of securities approved by the Syariah Advisory Council of the Securities Commission will be updated and made known to the public by the Securities Commission.

The Syariah Advisory Council (SAC) of the Securities Commission (SC) has approved an updated list of securities, which have been classified as Syariah-approved securities. The securities are listed on the Kuala Lumpur Stock Exchange (KLSE). **The list of approved securities will take effect from 26 April 2002.**

Nineteen companies, newly classified by the SAC as approved securities, have been added to the list (Table 1). Nine companies which were in the previous list have been excluded (Table 2). The complete list of the 652 approved securities is provided in the Appendix.

Table 1: Newly classified approved securities

1.	Acoustech Bhd.	11.	Pantai Holdings Bhd.
2.	Baneng Holdings Bhd.	12.	PJI Holdings Bhd.
3.	CAM Resources Bhd.	13.	Priceworth Wood Products Bhd.
4.	Cosway Corporation Bhd.	14.	PUC Founder (MSC) Bhd.
5.	FA Peninsular Bhd.	15.	Sateras Resources (M) Bhd.
6.	KSL Holdings Bhd.	16.	SDKM Fibres, Wires & Cable Bhd.
7.	Kumpulan Powernet Bhd.	17.	TSR Capital Bhd.
8.	Lion Corporation Bhd.	18.	United Kotak Bhd.
9.	Lipo Corporation Bhd.	19.	Xian Leng Holdings Bhd.
10.	London Biscuits Bhd.		

Table 2: Companies excluded from list of approved securities

1.	Box Pak (M) Bhd.	6.	Pan Pacific Asia Bhd.
2.	FACB Resorts Bhd.	7.	Prime Utilities Bhd.
3.	Fraser & Neave Holdings Bhd.	8.	Sri Hartamas Bhd.
4.	General Corporation Bhd.	9.	Tanco Holdings Bhd.
5.	Leong Hup Holdings Bhd.		

In classifying these securities as approved securities, the SAC has applied a standard criterion in focusing on the core activities of the companies listed on the KLSE. Hence, companies whose core activities are not contrary to the Syariah principles are classified as approved securities. The securities that are excluded from the list of approved securities are based on the following criteria:

- (i) operations based on *riba* (interest) such as activities of financial institutions like commercial and merchant banks and finance companies;
- (ii) operations involving gambling;
- (iii) activities involving the manufacture and/or sale of *haram* (forbidden) products such as liquor, pork and meat not slaughtered according to Islamic rites; and
- (iv) operations containing elements of *gharar* (uncertainty) such as the conventional insurance business.

For companies with activities comprising both permissible and non-permissible elements, the SAC applied several additional criteria, which are:

- (v) the core activities of the company must be activities which are not against the Syariah as outlined in the four criteria above. Furthermore,

the haram element must be very small compared with the core activities;

- (vi) the public perception or image of the company must be good; and
- (vii) the core activities of the company have importance and *maslahah* (benefit in general) to the Muslim *Ummah* (nation) and the country, and the haram element is very small and involves matters such as '*umum balwa* (common plight), '*uruf* (custom) and the rights of the non-Muslim community which are accepted by Islam.

The SAC also takes into account, the level of contribution of interest income received from conventional fixed deposits by the company, as part of the criteria in the analysis of the approved securities.

Approved securities include ordinary shares, warrants and transferable subscription rights (TSRs). This means that warrants and TSRs are classified as approved securities from the Syariah perspective provided the underlying shares are also approved. On the other hand, loan stocks and bonds are non-approved securities unless their issuances are based on Islamic principles.

In classifying these securities, the SAC received input and support from the SC. The SC gathered information on the companies from various sources such as company annual financial reports, responses to a survey form that was issued to obtain detailed information and through inquiries made to the respective company's management. The SC through the SAC, will continue to monitor the activities of all companies listed on the KLSE from time to time to determine their status.

As a guide to investors, the SAC would like to advise investors on the timing for the disposal of securities, which have been classified as Syariah non-approved.

i. For investors who invest in approved securities, which subsequently have their status changed to "non-approved":

If at the time the announcement is made, the value of the securities held exceeds the original investment cost; investors who hold such non-approved securities must liquidate them. Any capital gains arising from the disposal of the non-approved securities made at the time of

the announcement can be kept by the investors. However, any excess capital gains made from the disposal after the announcement day at a market price that is higher than the closing price on the announcement day should be channelled to charitable bodies.

On the other hand, investors are allowed to hold their investment in the non-approved securities if the market price of the said securities is below the original investment costs. It is also permissible for the investors to keep the dividends received during the holding period until such time when the total amount of dividends received and the market value of the non-approved securities held equal the original investment cost. At this stage, they are advised to dispose of their holding.

In addition, during the holding period, investors are allowed to subscribe to:

- (a) any issue of new securities by a company whose non-approved securities are held by the investors, for example rights issues, bonus issues, special issues and warrants (excluding securities whose nature is non-approved e.g. ICULS); and
- (b) securities of other companies offered by the company whose non-approved securities are held by the investors,

on condition that they expedite the disposal of the non-approved securities. For securities of other companies [as stated in (b) above], they must be Syariah-approved securities.

ii. **For investors who invest in non-approved securities:**

The SAC advises investors to dispose of their non-approved securities within a month of knowing the status of the securities. Any gain made in the form of capital gain or dividend received during or after the disposal of the securities has to be channelled to charitable bodies. The investor has a right only to obtain the original investment cost.

Note: Original investment cost may include brokerage cost or other related transaction cost.
